

PSFBC PRAYER REQUESTS

We have a prayer team who is faithfully praying for PSFBC and sharing prayer requests from our ministries. Please use this list throughout the month to pray for these items from PSFBC ministries.

Deacons:

For the Lord to keep us alert and responsive to needs in the church family and for God to give us grace and wisdom in support our Pastor and his ministry.

Trustees:

We continue to ask for prayers for the building project and the fundraising. Also, we will soon begin working on the proposed budget for 2026.

Christian Ed:

For the start up of Sunday School. Pray for many participants and the teachers.

Missions:

Jim Clarke shared that the final verse of the Fwe translation was completed, and will move to the next stage. Alpha PRC is pleased to have filled their secretary position with our own Tara Pierce.

Outreach:

For people to connect with our monthly outreach opportunities, and for helpers with these outreaches and our weekly Clothes Closet and English Convo Class.

Student Ministry:

For our students as they start back to school (including Jack as he takes his final undergrad classes), and for our planned winter camp and fundraising for the camp for the students.

STEEPLE NOTES

September 2025

Church Addition Prayer Requests and Building Fund Progress

While our Board of Trustees and Building Committee have been working hard, there are still three significant pieces that need to fall in place for our church-approved building project. Please pray for these regularly. First, we still need \$100,000 more in the building fund. The overall project is estimated to cost \$400,000. Between current savings, the current building fund, and an anticipated annuity in January of 2026, we have around \$300,000. Second, we still need commitments from construction ministries to help with the build. And third, we ask for prayers for all the approval and permitting process from the city and state authorities.
